Sub: Support for Farm Machinery under the sub-component ICDP – Custom Hiring Centre / Farm Mechanisation for Traditional area, Non Traditional Area and North Eastern Region – Reg.

Ref: No.EXT/BAN/P&C CELL-80(A) /2024-25/145 Dt.21.10.2024

A virtual meeting was convened on 30.01.2025 with the Joint Directors (Extension), and regional Deputy Directors (Extension), to discuss on the conditions to be prescribed to extend support to the Coffee growers under the ICDP Sub-component-3.3 – Custom Hiring Centre / Farm Mechanization for Traditional area, Non Traditional Area and North Eastern Region. After the detailed deliberations, all the officers have agreed to relax the conditions of restricting the claims to 'one grower one activity' vide reference above and unanimously opined that support under Mechanization scheme shall be extended to the growers as per the prescribed modalities.

The recommendations of the meeting to relax the conditions restricting the claims to 'one grower one activity' under mechanization sub component , subject to fulfilment of the following conditions, has been considered by the Competent Authority.

1. The 'First cum First serve shall' be strictly followed
2. If number of applications are more than allocated fund under " Mechanisation" Sub component in any of the region, then the DDE, as per seniority, shall restrict the support to one incentive per eligible applicant only.
3. Wide publicity shall be given through local media.
4. This condition should be clearly communicated to all stake holders.
