   User can find the below link to download 'India Coffee App
   For Android:
   https://play.google.com/store/apps/details?id=com.ict.coffee_board
   For IOS: **https://apps.apple.com/in/app/india-coffee-app/id6447777147**

   User can find the below QR code of 'India Coffee App' for both Android and IOS

(Android QR Code) **(IOS QR Code)**

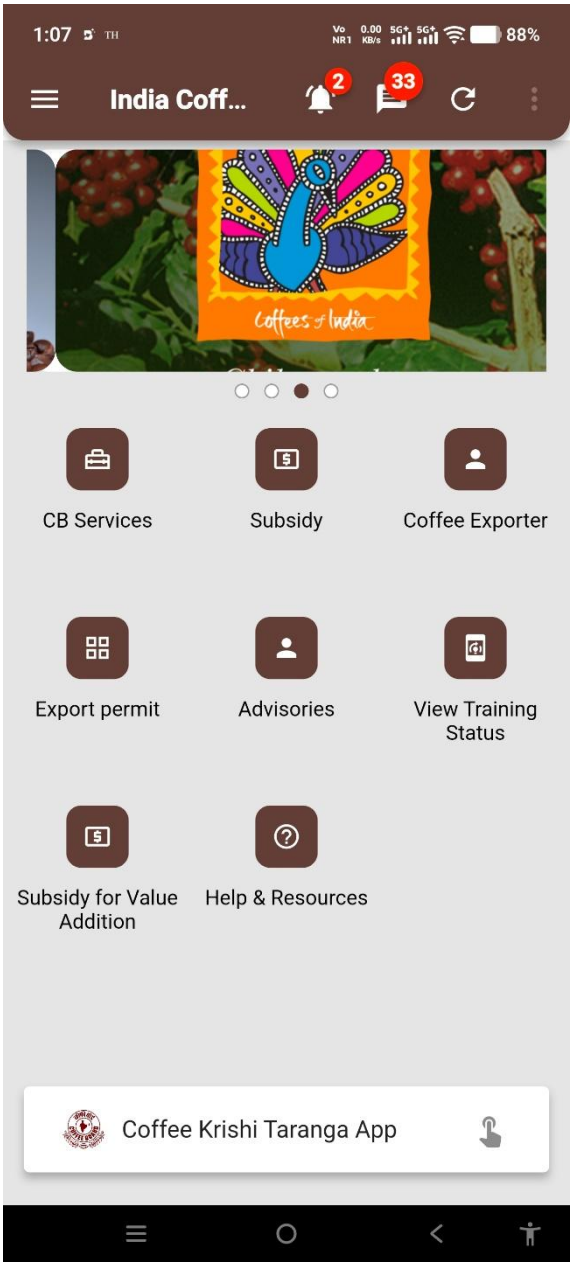

2. Click on **“Create an Account”.** Using your **mobile number** (OPT based), register.
3. Select **“Roaster/Curer/Grower”** option as applicable for the field “Are you?” (Please do not select Coffee Lover or Departmental User options.
4. Complete the registration process by entering the Name, Password, Confirm Password, Alternate mobile number, Email ID.

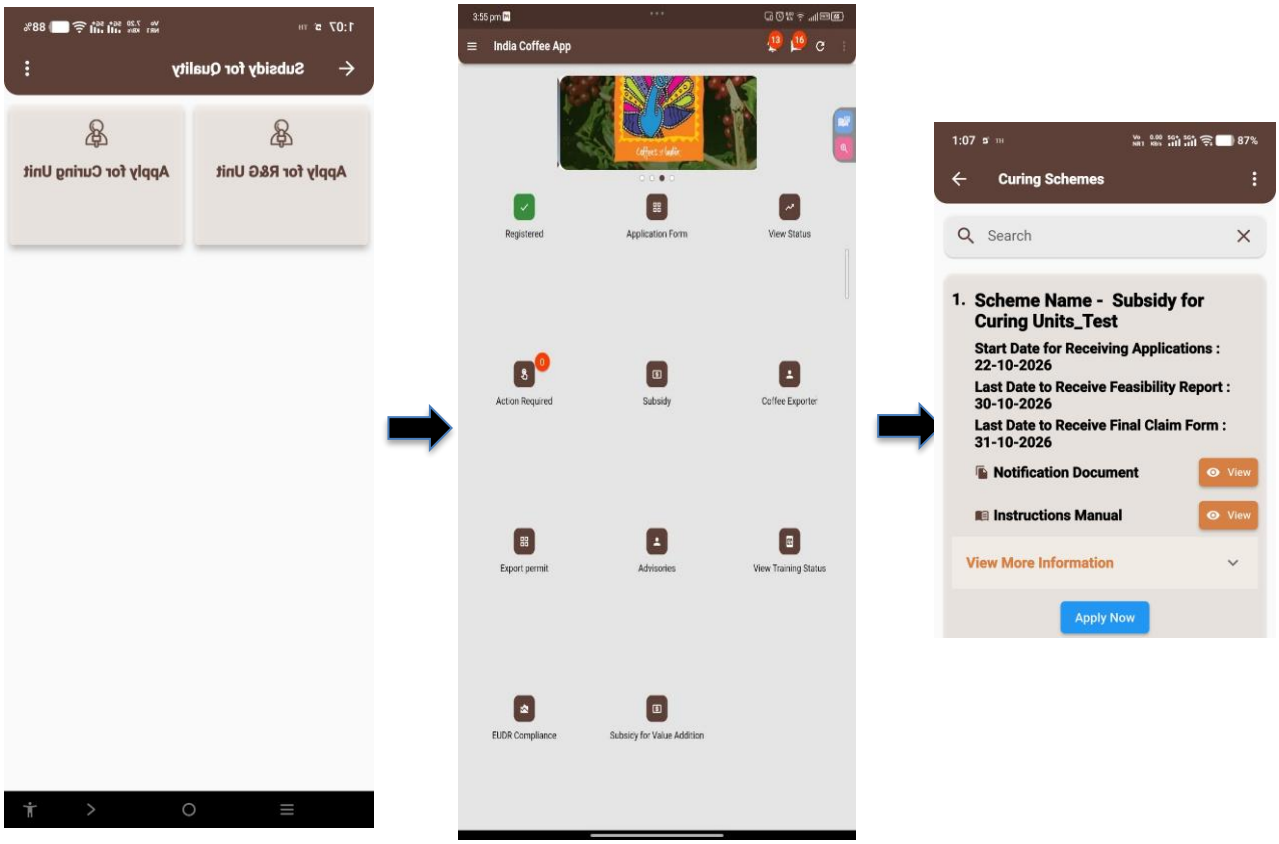

5. After registration, log in to access the dashboard

B. Submitting the Feasibility Application

Step 1 – Navigate to the Application

From the dashboard, go to: **Subsidy for Value Addition** > **Apply for Curing Units** > **Apply Now**

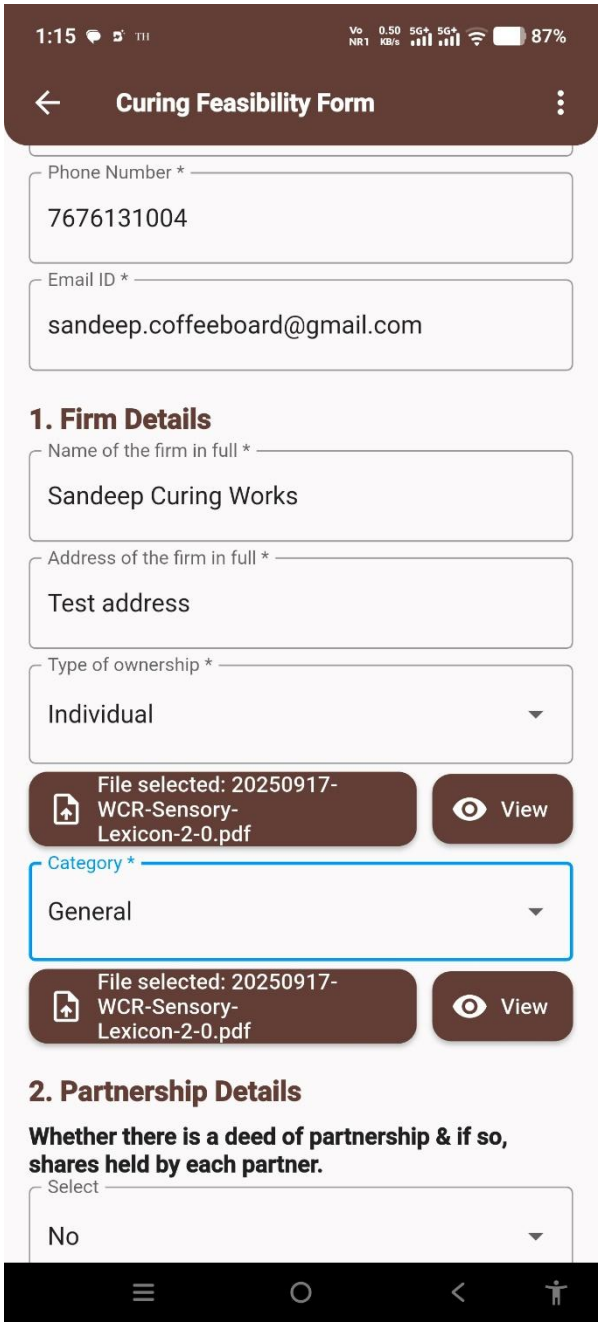

Step 2 – Read Guidelines

Read: Notification document and the User Manual.

Step 3 – Fill in Applicant Details

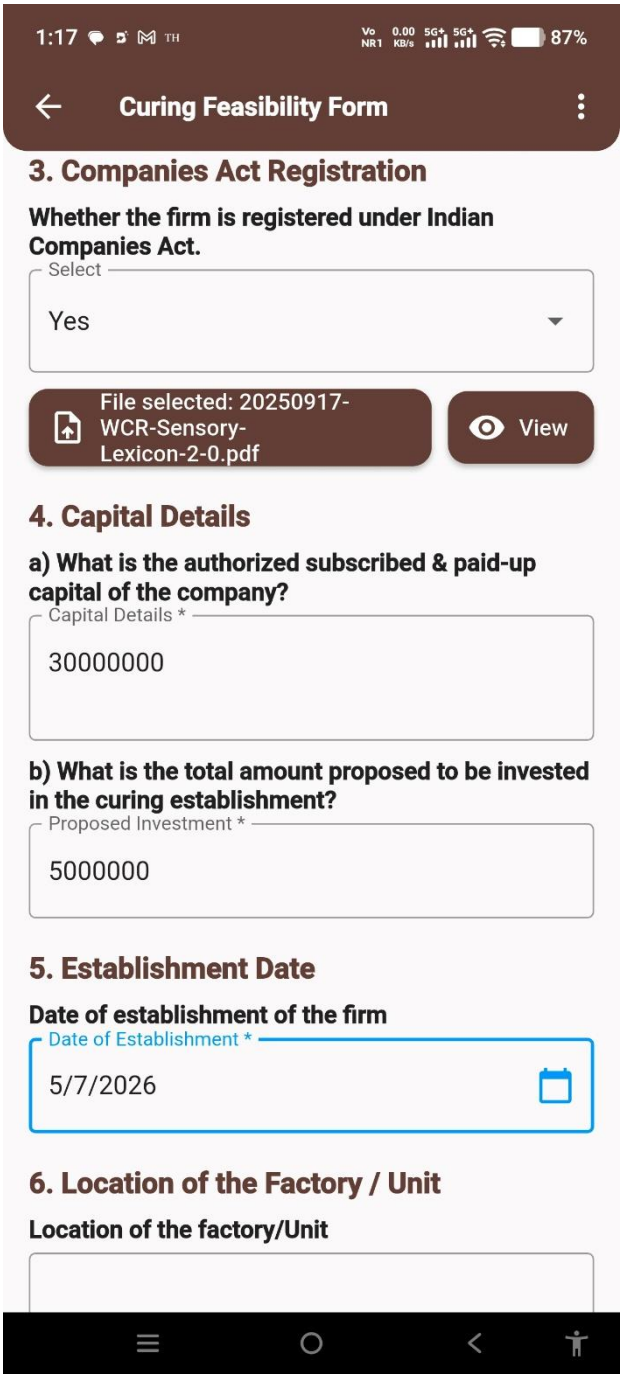

Click on **Feasibility Application**, enter **General Details, firm details and Partnership details**. Upload the supporting documents with respect to the Ownership type and the category selected (.pdf format less than 2.0MB is the accepted format)

.

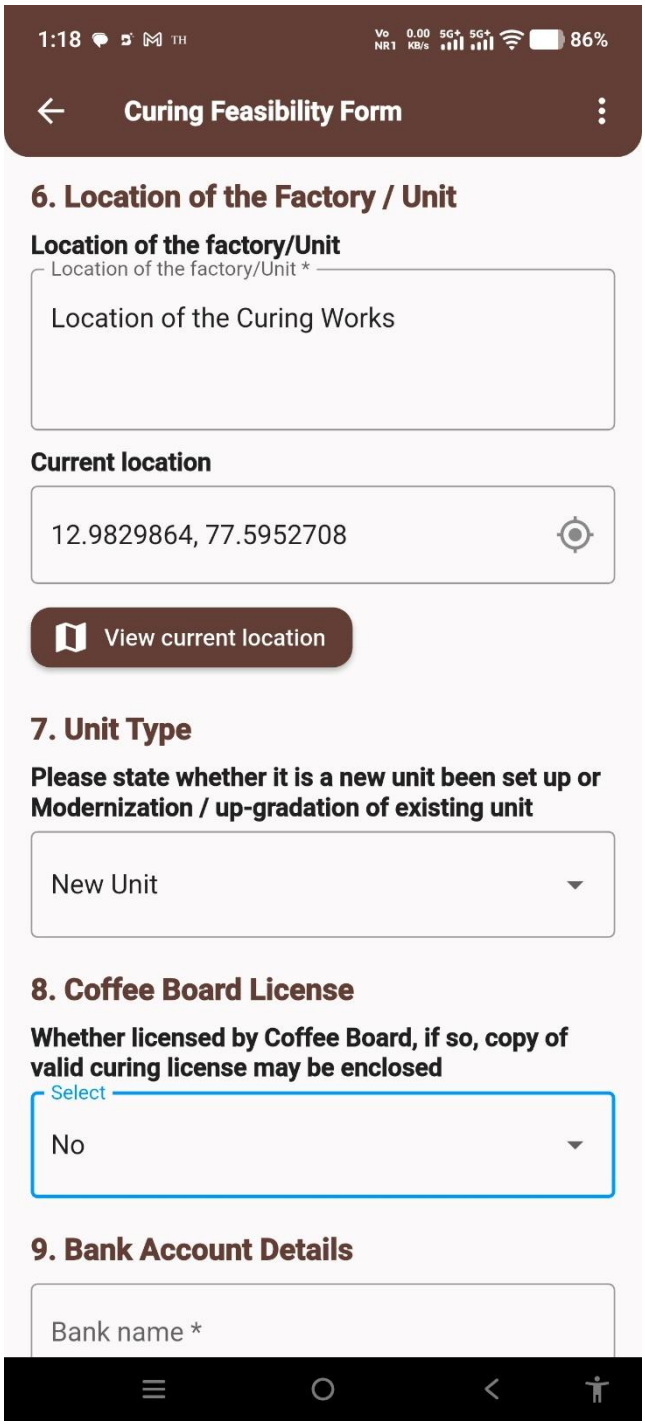

Step 4 – Company act registration and Capital details

Enter the **Company act registration and Capital details**. Upload the supporting documents with respect to the Ownership type and the category selected (.pdf format less than 2.0MB is the accepted format)

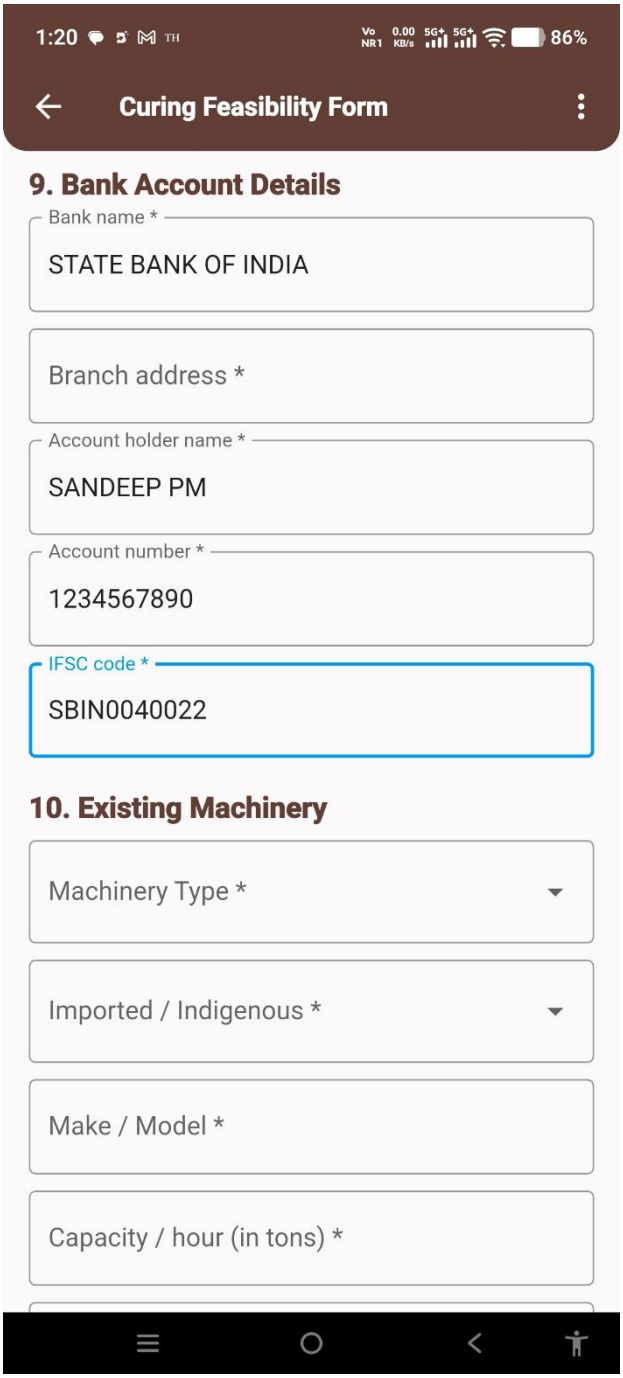

Step 5 – Location of the factory/Unit

Enter the **Location of the factory/Unit address**. Fetch the location by clicking the button

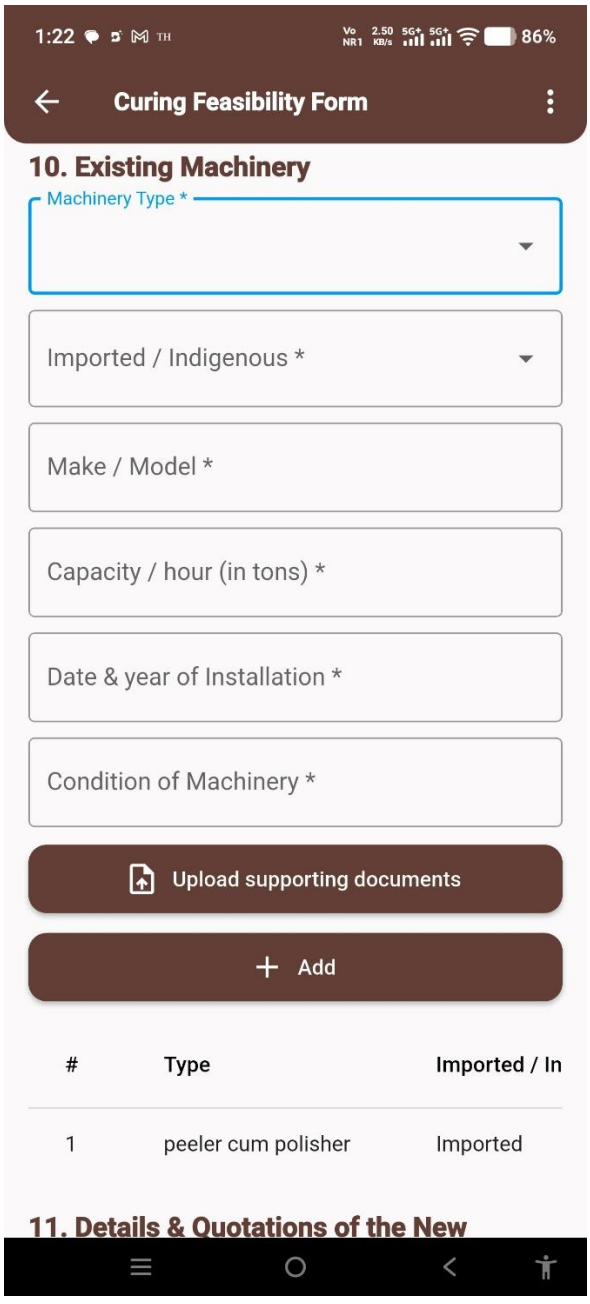

Step 6 – Bank Account details

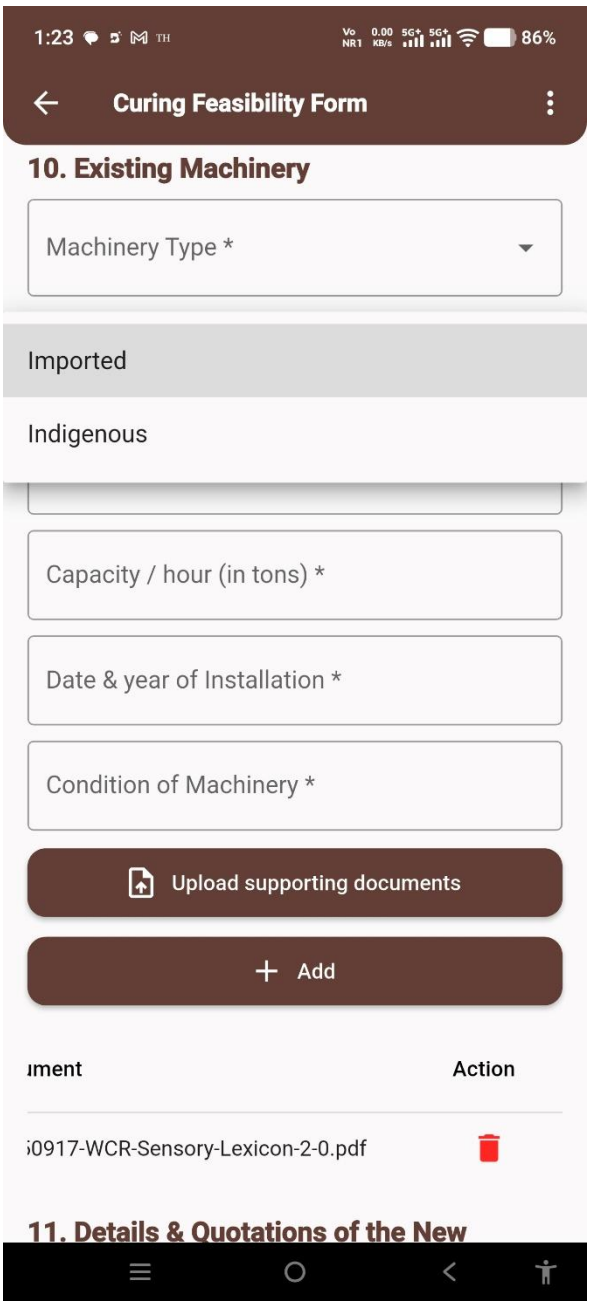

Enter the **Bank Account details** in the relevant fields

Step 7 – Existing machinery details

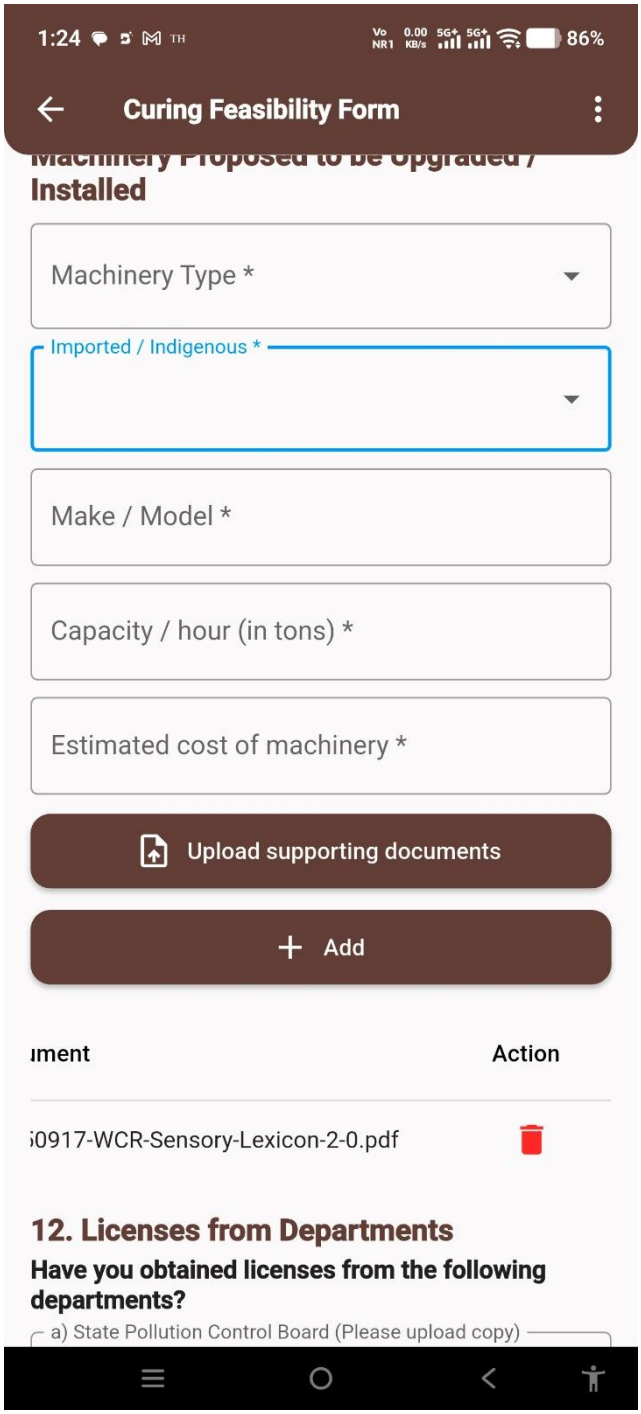

Select a **“Machinery type”** from the drop-down menu, complete the required fields, and attach the supporting document. Click **“Add”** to include the machinery in the list below. To remove an entry, scroll to the right and select the delete icon. Repeat these steps for all existing machinery, attaching the relevant supporting document for each item.

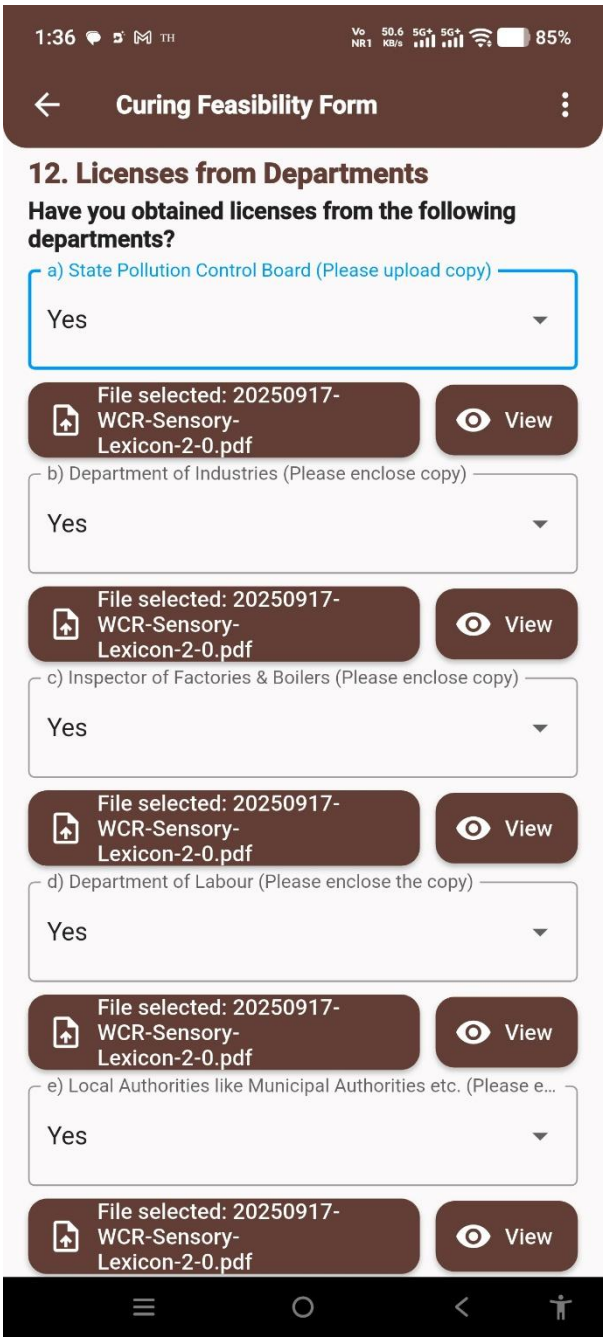

Step 8 –Details of the proposed machinery to be upgraded or installed

Select a **“Machinery type”** from the drop-down menu, complete the required fields, and attach the supporting document. Click **“Add”** to include the machinery in the list below. To remove an entry, scroll to the right and select the delete icon. Repeat these steps for all existing machinery, attaching the relevant supporting document for each item.

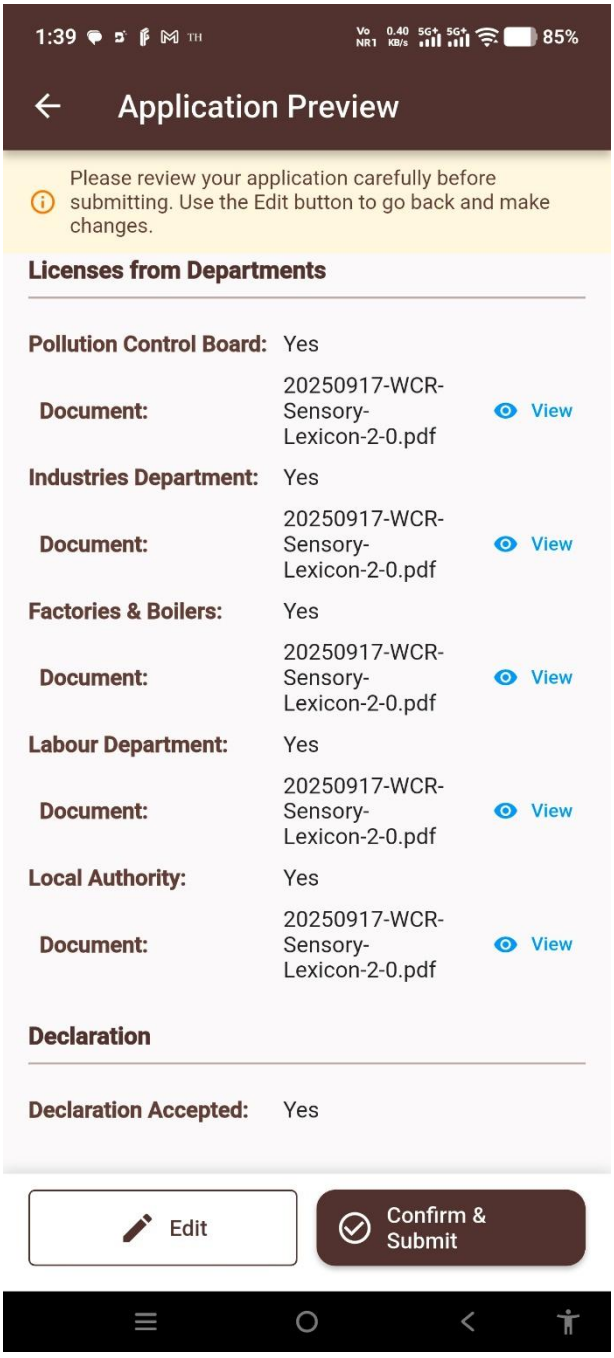

Step 9 – Licenses from the departments

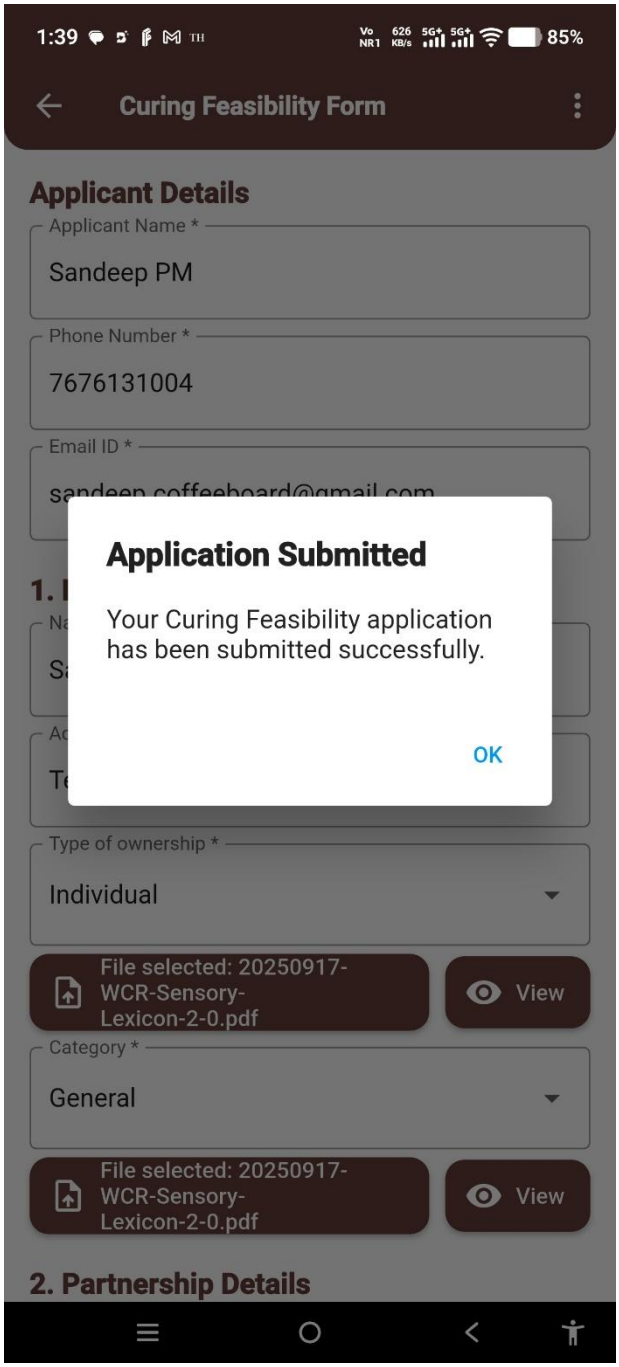

Select **“Yes/No”** from the drop down with respect to the documents/licenses requested and upload the respective supporting document for each.

Step 10 – Submit the application

Accept the Declaration, enter the Place (date auto fetched). Choose Save as Draft (to edit later) or Submit (final submission). Review the preview to verify that all entered details are correct, then click **“Confirm & Submit.”.** You will get a **“Application Submitted”** message. Submitted applications are sent to the Divisional Head for processing.

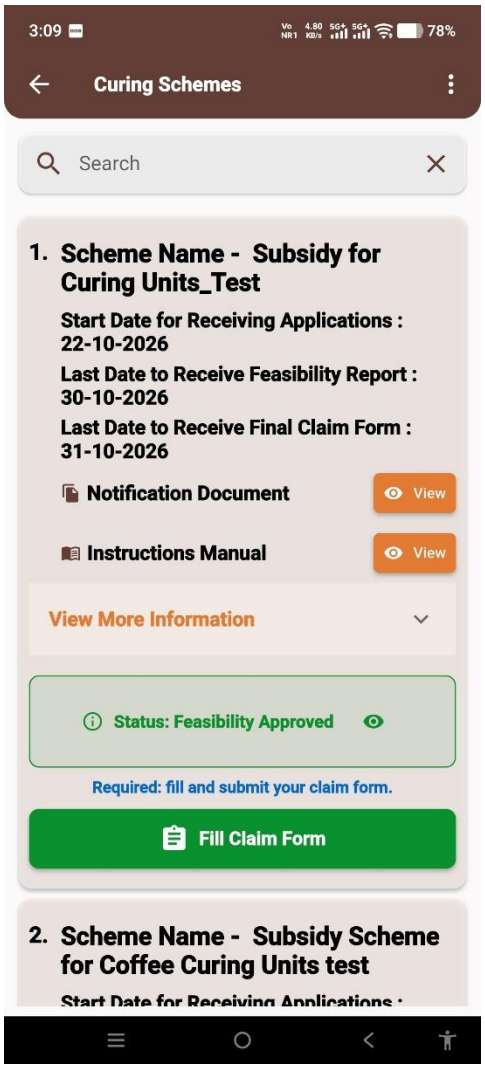

Step 11 – Feasibility Inspection

The Coffee Board officials will visit for site inspection. The feasibility report will be uploaded to the app.

Step 12 – Viewing Report & Status

Log in to **view Feasibility Report, Remarks, and Application Status**. If positive, proceed to machinery procurement; if negative, correct issues and resubmit.

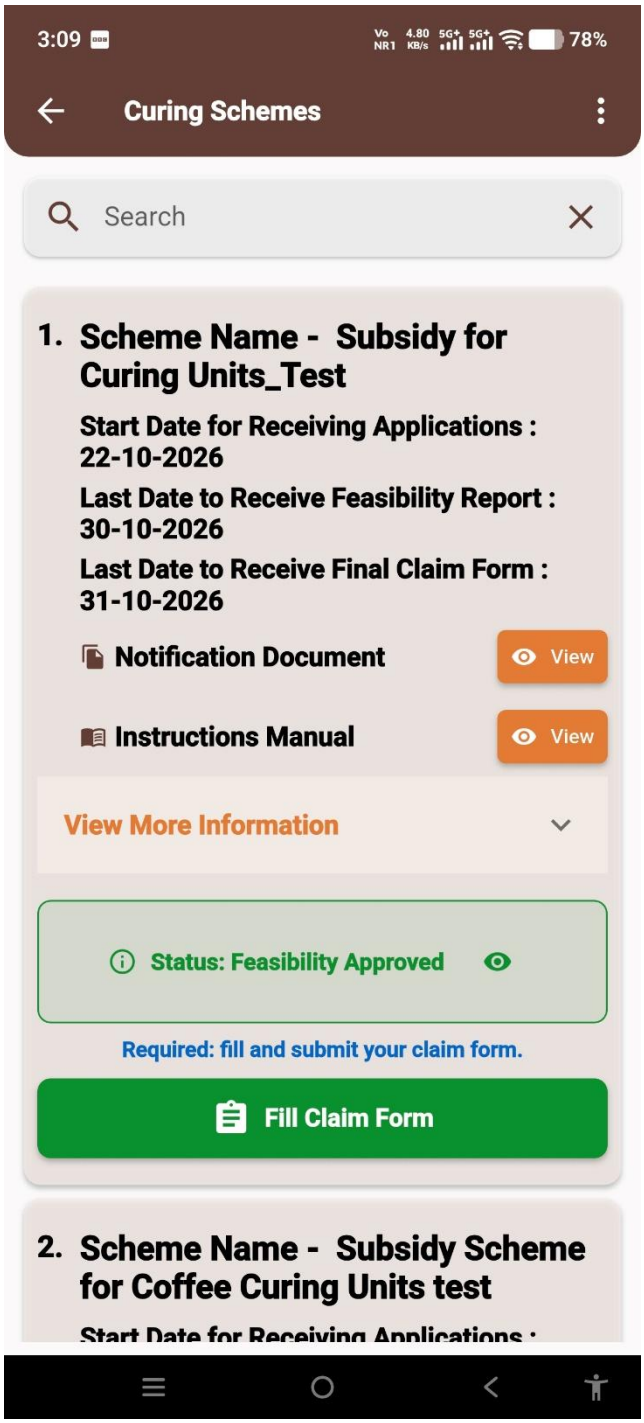

Step 12. Procuring and Installing the Machinery

Only after receiving a favorable report shall the applicant procure, install, and commission the machinery.

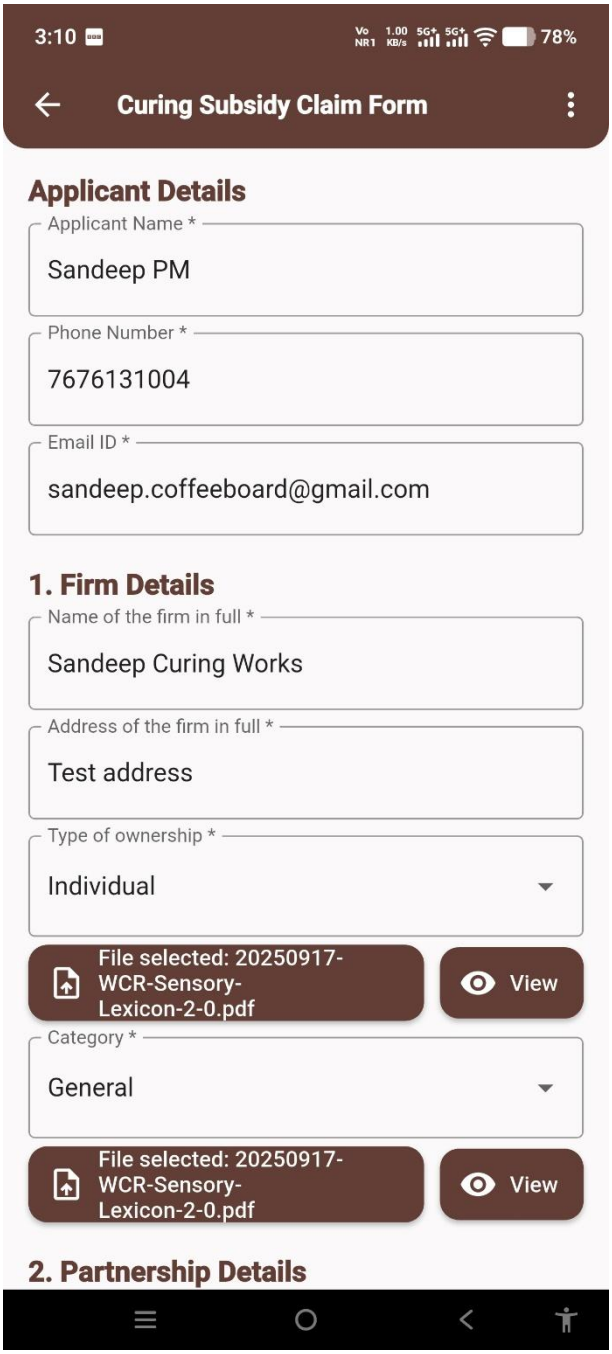

C. Submitting the Final Subsidy Claim Application

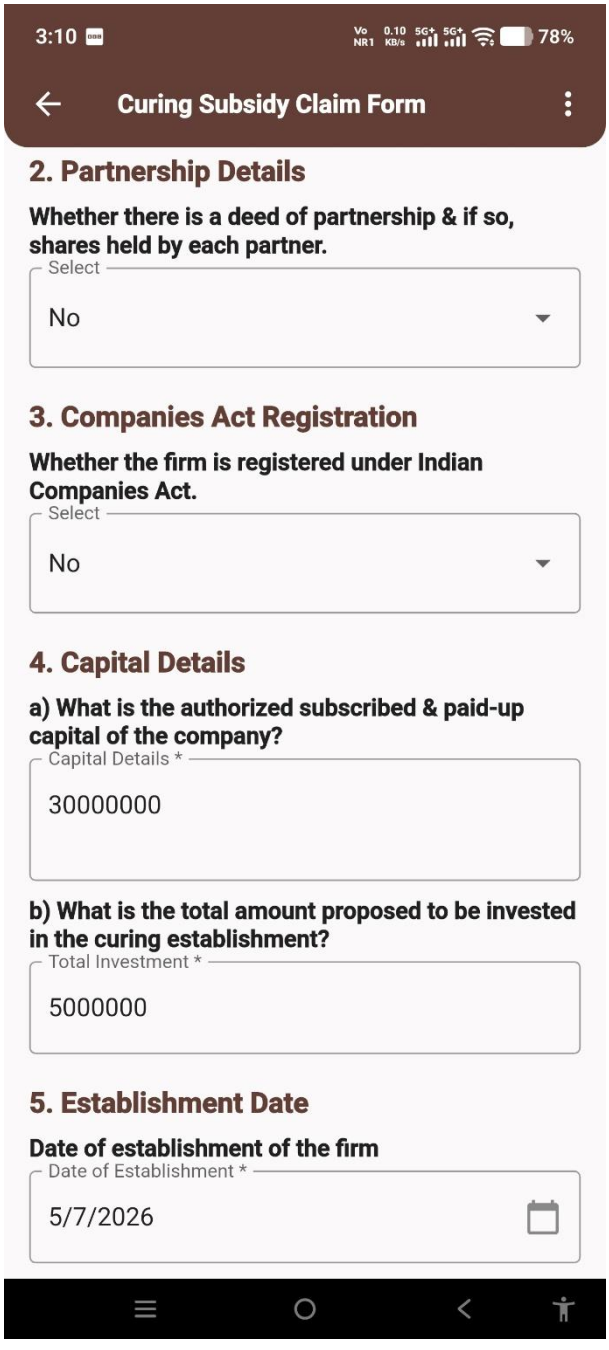

Step 1 – Navigate to Claim Form
From dashboard: Subsidy for **Value Addition > Apply for Curing Units > "Fill Claim Form"**

Step 2 – Applicant Details and Firm Details

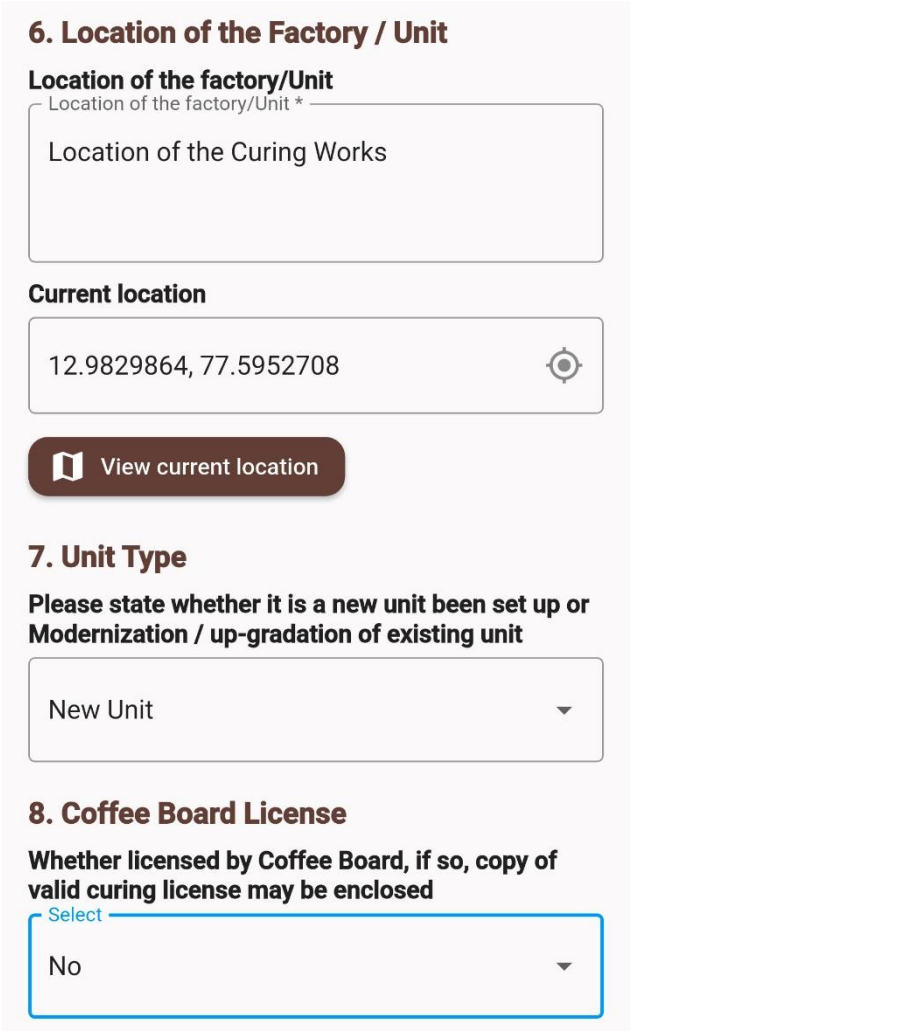

Enter **Applicant details, firm details, Partnership details, Company Act registration and Capital details**. Upload the supporting documents with respect to the Ownership type and the category selected (.pdf format less than 2.0MB is the accepted format)

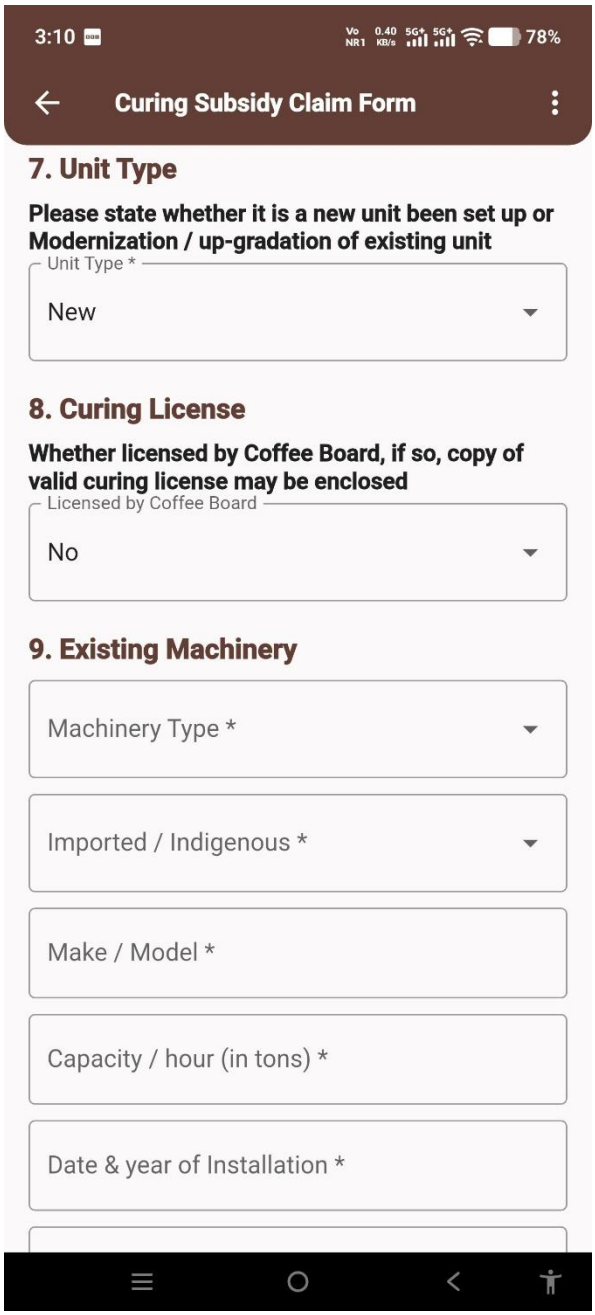

Step 3 – Location of the factory/Unit

Enter the **Location of the factory/Unit address**. **Fetch the location** by clicking the button. Enter Unit type and its Coffee Board licensing status in the relevant fields.

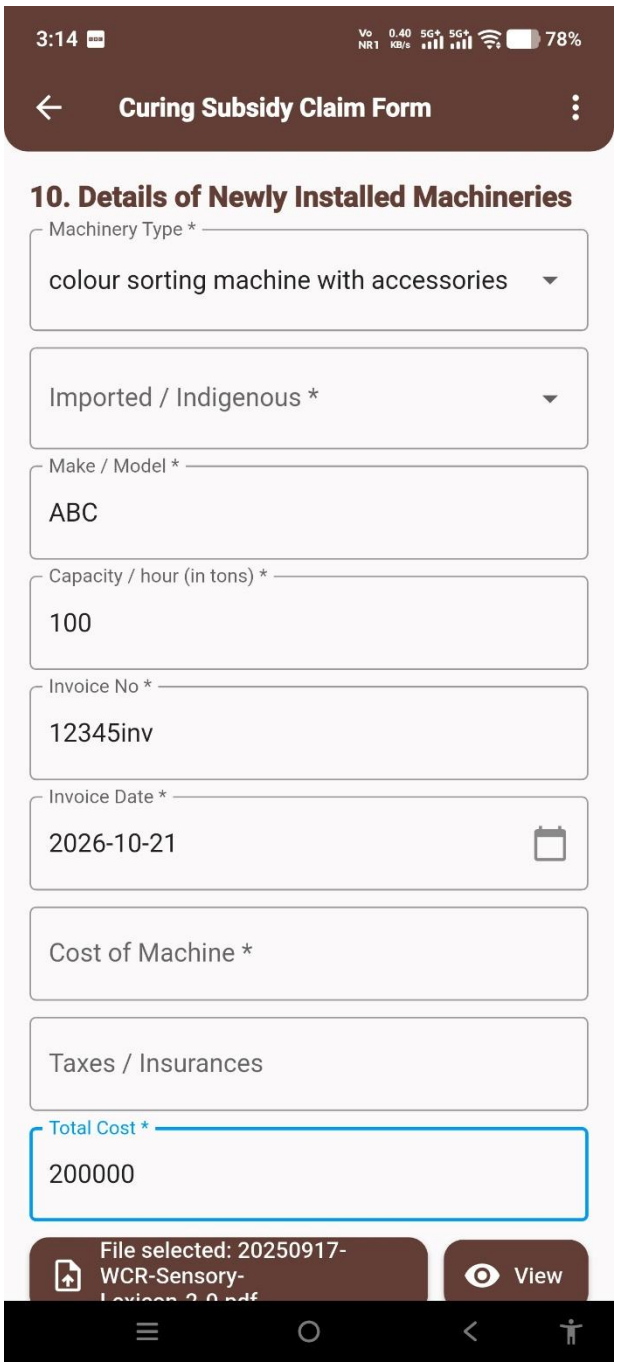

Step 4 – Existing machinery details

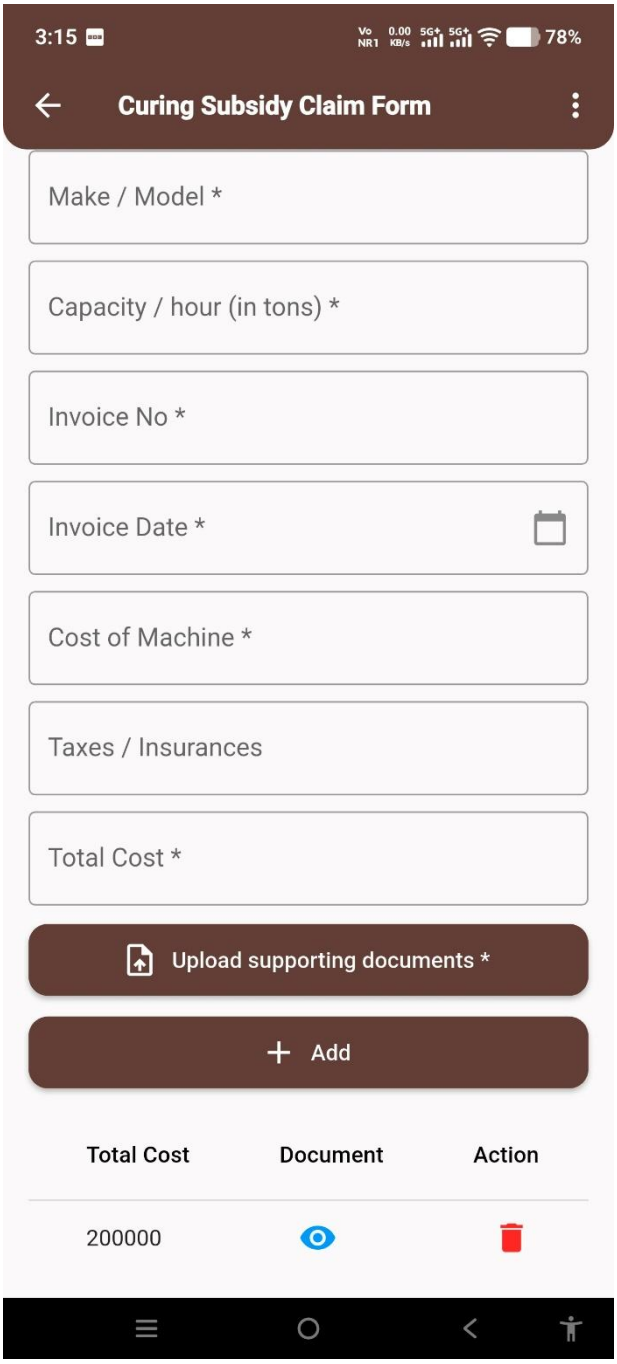

Select a **“Machinery type”** from the drop-down menu, complete the required fields, and attach the supporting document. Click **“Add”** to include the machinery in the list below. To remove an entry, scroll to the right and select the delete icon. Repeat these steps for all existing machinery, attaching the relevant supporting document for each item.

Step 5 – Details of the “Upgraded/New installed” machineries

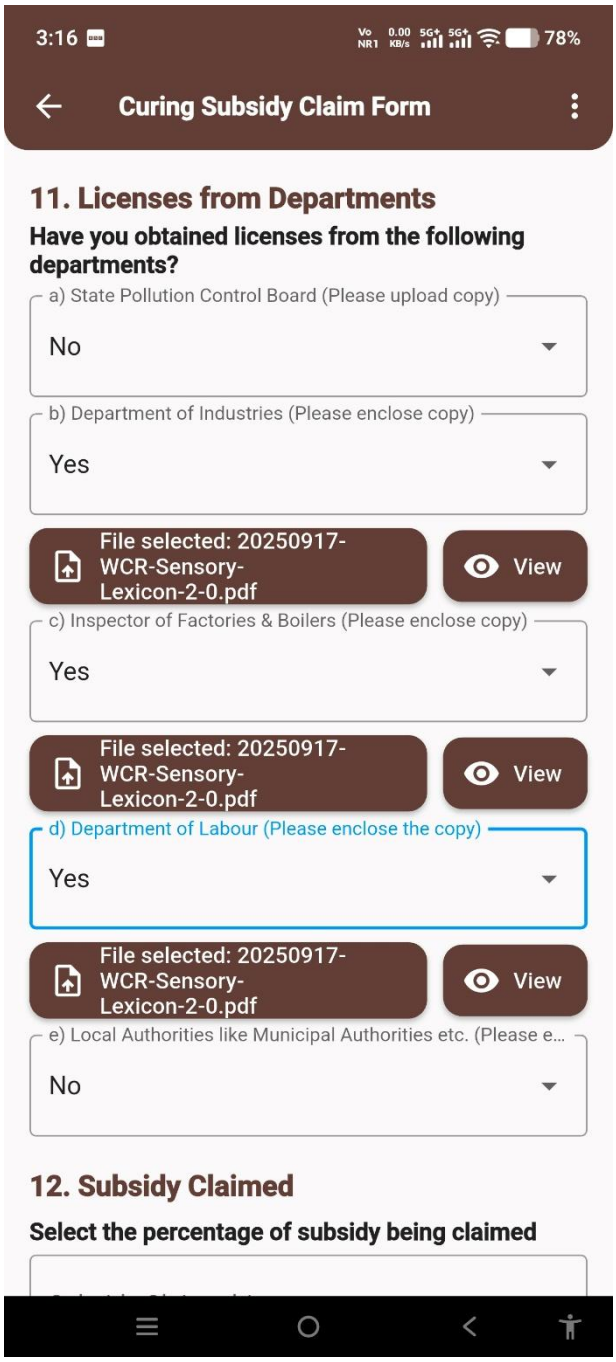

Select a **“Machinery type”** from the drop-down menu, complete the required fields, and attach the supporting document. Click **“Add”** to include the machinery in the list below. To remove an entry, scroll to the right and select the delete icon. Repeat these steps for all existing machinery, attaching the relevant supporting document for each item.

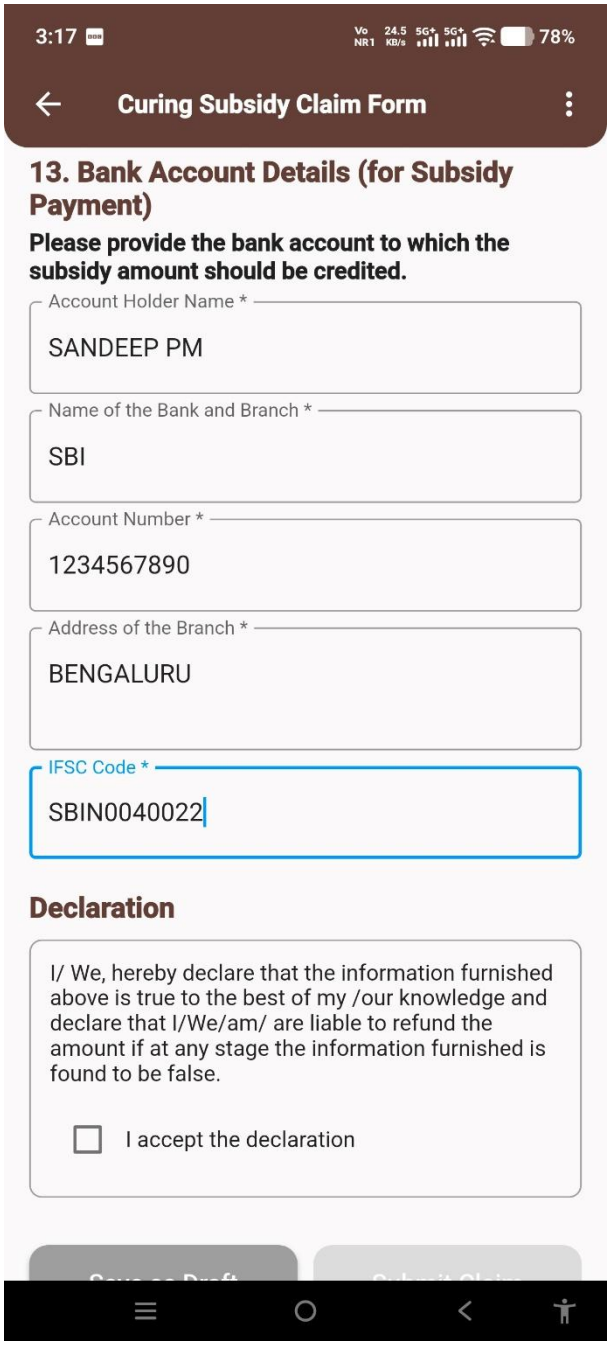

Step 6 – Licenses from the departments

Select **“Yes/No”** from the drop down with respect to the documents/licenses requested and upload the respective supporting document for each. Enter the details of the Subsidy claimed.

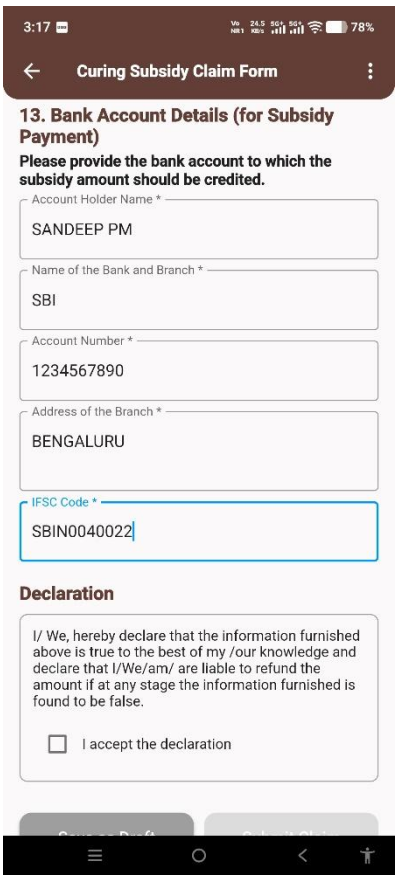

Step 7 – Details of the Subsidy claimed and Bank Account details

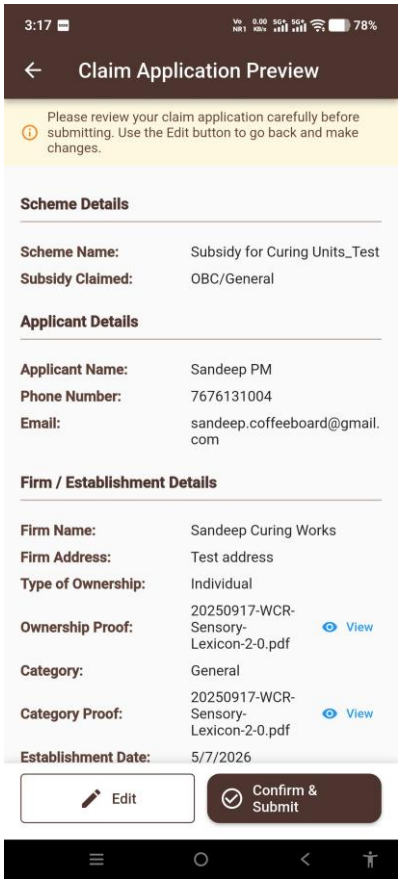

Enter the **Bank Account details** in the relevant fields

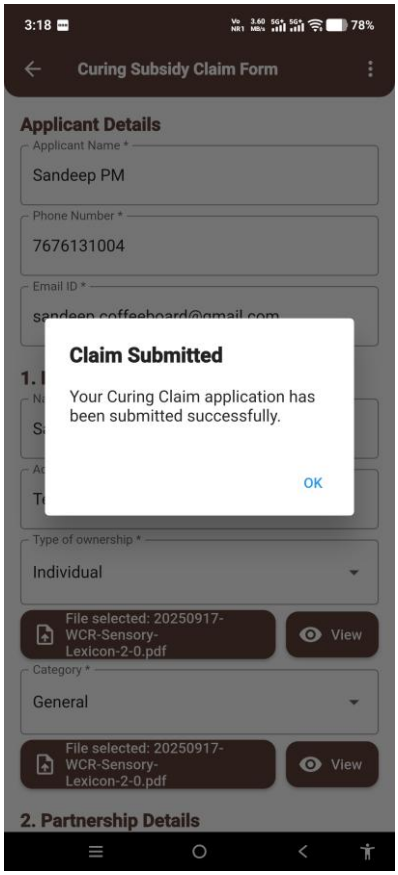

Step 8 – Submit the application

Accept the **Declaration**, enter the Place (date auto fetched). Choose Save as Draft (to edit later) or Submit (final submission). Review the preview to verify that all entered details are correct, then click **"Confirm & Submit.".** You will get a **"Application Submitted"** message. Submitted applications are sent to the Divisional Head for processing.

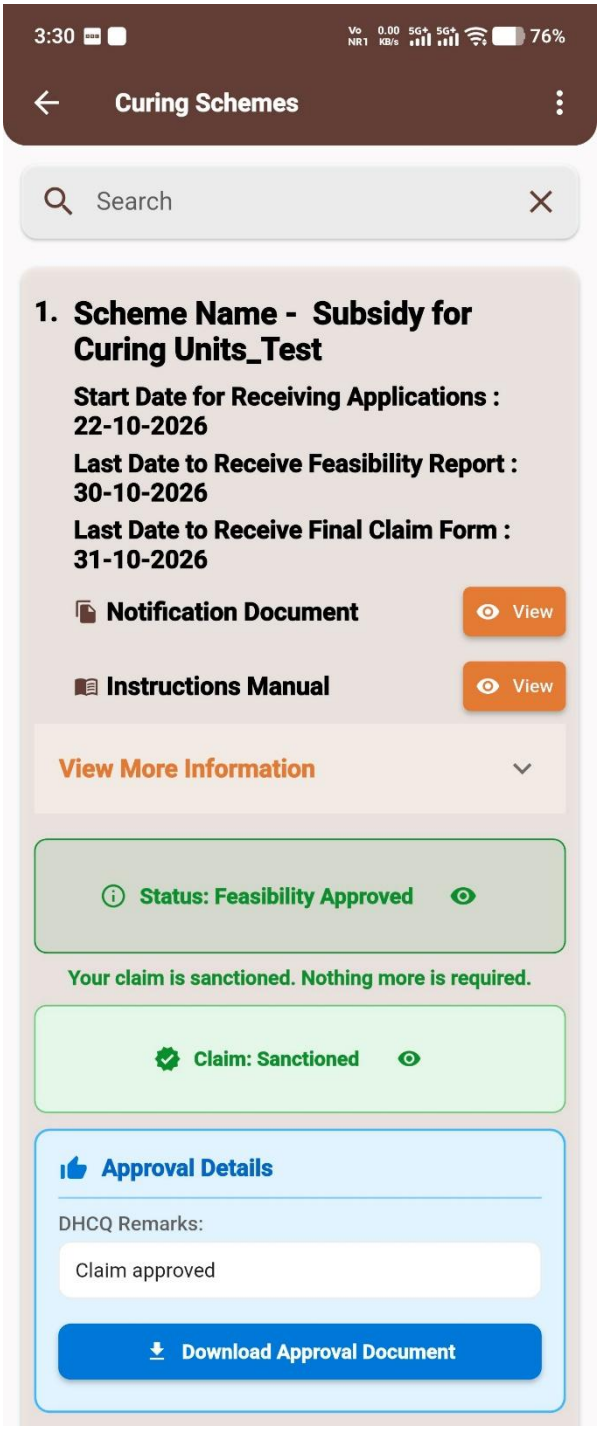

Step 11 – Processing & Inspection

Application is reviewed and assigned for site inspection. If approved, a Sanction Order will be issued.

Step 9 – Viewing the Sanction Order

Log in to view the “Remarks”. Track Subsidy Application Status. Click on **“Download Approval Document”** for downloading the sanction order.
