CIRCULAR

Sub: Implementation of ICDP during the remaining period of Fifteenth Finance Commission cycle up to 2025-26 – Reg.

Support for development of Open / Ring well is being provided under the sub component water augmentation of Integrated Coffee Development Project (ICDP) during remaining period of 15th Finance Commission i.e. during 2024-25 to 2025-26. As per the modalities, after obtaining the TFR, Coffee growers are required to complete the proposed activity and prefer claims with in the same financial year.

In this connection, some of the growers have represented that development / opening of open / ring well is usually taken up during summer months i.e. March-April and requested to permit them to claim subsidy after development of Open / Ring well in May- June i.e. after the development of the infrastructure. The request of the growers has been examined and the growers who have obtained TFR by Coffee Board are permitted to submit the claims during May or June, after the development of the Open well / Ring well i.e. in the ensuing financial year (2025-26). However, extending the eligible support, depends on the fund availability.
