BENGALURU 560 001
[COFFEE QUALITY DIVISION]
Email ID: hqdccoffeeboard@gmail.com

Ref No.: RES/CQDICDP-15th FCC/2024-25/236.

Date: 04/09/2024.

NOTIFICATION

Sub: Implementation of "Integrated Coffee Development Project (ICDP)" Scheme during the remaining period of Fifteenth Finance Commission Cycle up to 2025-26 - Modalities / Guidelines for R&G and Coffee Curing Units - Reg.

Ref.:1. Order No. K-390141112024-Plant B dated 22 February 2024 - Approval of EFC.

2. Letter No. K-390141112021-Plant B dated 30 July 2024 - Implementation guidelines.

3. Order No. No. EXTN/P&C Cell/80 (A)/2024-25/ 80- Coffee Board, dated: 5th August 2024.

The Ministry of Commerce & Industry, Government of India has conveyed approval for General Guidelines for implementation of "Integrated Coffee Development Project (ICDP)" submitted by the Coffee Board for the remaining period of Fifteenth Finance Commission Cycle up to 2025-26 vide letter cited under reference (2) above.

Further, Board has approved the detailed Implementation modalities and the timelines of the Integrated Coffee Development Project scheme in its 216th Board meeting held on 27.06.2024.

Hence, the Board approved Implementation modalities and Ministry approved guidelines of the "Integrated Coffee Development Project (ICDP)" has been hosted in the Coffee Board's website: www.coffeeboard.gov.in and the same is enclosed along with this notification.

The date of implementation of the scheme will be effective from the date of issue of this notification, dated: 04-09-2024. 'Applications for Technical Feasibility' (Annexure- I) for issue of technical feasibility reports will be entertained up to 05-10-2024.

Procedure of application:

- i) The application in the prescribed format (**Annexure-I**) are invited from eligible coffee entrepreneurs for issuing feasibility reports towards financial support for **establishment of New - Coffee Roasting and Grinding (R&G) Units** and for up

gradation / establishment of **Coffee Curing Units** holding a valid coffee curing license issued by Coffee Board of India.

- ii) **Eligibility:**
 - a) Individual units, Partnership firms, Pvt Ltd firms, Self-Help-Groups (SHG)/ Growers' collectives, Coffee Cafes interested to establish new coffee Roasting & Grinding units.
 - b) All coffee curing works holding a valid coffee curing license issued by Coffee Board of India are eligible for support for newly installed or up-gradation of existing curing machinery irrespective of type of ownership.
- iii) **Documents to be submitted in support of the Feasibility Application:**
 - a) Notarized Copy of the lease agreement / rent agreement / ownership document in respect of the proposed site/ shop / building premises Feasibility applications in the prescribed format.
 - b) Blue print / layout plan for the proposed R&G unit/facility.
 - c) Quotations issued by the supplier/machine manufacturers.
- iv) **The last date for receipt of Applications for Technical Feasibility is 05-10-2024.**
- v) No applications for Technical Feasibility will be considered after the end date.
- vi) The applications in the prescribed format may be submitted to The Divisional Head-Coffee Quality Division, Coffee Board, No.1, Dr. Ambedkar Veedhi, Via., **email: hdqccoffeeboard@gmail.com / cqd.coffeeboard@gmail.com**
- vii) The information provided by the applicant will be scrutinized and physical inspection/verification will be undertaken by Coffee Board officers for issuing Feasibility Report if/when required on a case to case basis.
- viii) The eligible applications will be processed on priority as follows:
 - 1) Priority to applications from NE regions
 - 2) Women Entrepreneurs
 - 3) FPO's/SHG's
 - 4) Differently abled Individuals &
 - 5) SC/ST applicants
- ix) Applications shall be considered on first come first serve basis provided the applications are complete in all respects and subject to availability of funds.
- x) Procurement, installation and commissioning of coffee machinery should be carried out by the applicants only after receipt of the Feasibility Report from the Coffee Board.
- xi) The Claim Form for support for establishment of R&G units and Coffee Curing Units (**Annexure - II**) may be submitted by the applicant on successful installation and commissioning of R&G machinery and Curing machinery. The claim will be processed after physical site inspection by the Divisional Head - Coffee Quality & officers of the Coffee Quality Division, Bengaluru. If the application is found liable for rejection, same will be communicated to the applicant.
- xii) The Scheme is NOT applicable to R&G units / Curing establishments who have installed and commissioned machinery before the scheme notification dated 04-09-2024.

The Notification, modalities along with the applications for providing Support for Value Addition (R&G) and Curing units'(Component 2: Export Promotion and Market Development, Sub

Component 2.4.1 Support for Value Addition (R&G) and Curing units) is hosted in the Coffee Board's website. <https://coffeeboard.gov.in/>

This issues is with the approval of The CEO & Secretary, Coffee Board.

Divisional Head- Coffee Quality

Copy to:

- 1) DS to Secretary & CEO / PA to DF / PA to DR
- 2) Dy. Director (P&C)
- 3) The Dy. Director (Accounts) / Dy. Secretary (Plan Fund Accounts)
- 4) The Dy. Director (MR) for uploading on Board's website.

Modalities for Implementation of:

Sub Component 2.4.1. Support for Value Addition: R&G Units

2.4.1: Support for Value Addition (R&G)

2.4.1.1: Objective: To enhance quality of coffee product and achieve value addition through roasting, grinding and packaging which will result in boosting domestic coffee consumption and entrepreneurship in the coffee sector.

2.4.1.2: Eligibility

Individual units, Partnership firms, Pvt Ltd firms, Self-Help-Groups (SHG)/ Growers' collectives, Coffee Cafes interested to establish new coffee roasting units.

2.4.1.3: Conditions

- i) The applicant's Unit should hold a valid license for the business from the respective statutory authorities.
- ii) Units who have availed subsidy in the XI and XII & MTF Plan period are NOT eligible for Subsidy.
- iii) Priority will be given to low/non-coffee consuming states.

2.4.1.4: Scale of subsidy

- i) Roasting Unit, **Gourmet** Roasting units **1Kg to <10Kg/batch** and Small Roasting units with a capacity of **less than 25 kg capacity** and Large Roasting units with a capacity of **25 kg or more** are eligible for subsidy support of **40%** of the machinery cost with a ceiling of Rs.15.00 lakhs.
- ii) For the SHG's, FPO's, women entrepreneurs, SC / ST and differently abled beneficiaries, subsidy support is at **50%** of the machinery cost with a ceiling of Rs.15.00 lakhs.

2.4.1.5: Components eligible for subsidy

New Units: The roasting, grinding and packaging machinery in any of the following combinations are eligible for subsidy

- a) Roasting machine, grinding machine and packaging machine.
- b) Roasting machine and packaging machine.
- c) Grinding machine and Packaging machine.

2.4.1.6: Priority

Applications shall be considered on first come first serve basis provided the applications are complete in all respects, subject to availability of funds.

2.4.1.7: Procedure of application

The application for subsidy should be submitted to Coffee Board in the prescribed format before starting the works for obtaining a feasibility report. (Information provided by the applicant will be scrutinized and physical inspection / online verification for providing feasibility report will be done only if/ when required on a case to case basis). The applications will be processed and feasibility report will be provided on First in First out (FIFO) basis subject to availability of funds.

- i) The application in the prescribed format (**Annexure-I**) are invited for issuing feasibility reports towards financial support for establishment of New - Coffee Roasting and Grinding Units. The applications may be submitted to The Divisional Head- Coffee Quality Division,

Coffee Board, No.1, Dr Ambedkar Veedhi, Via., email: hdqccoffeeboard@gmail.com / cqd.coffeeboard@gmail.com

ii) The information provided by the applicant will be scrutinized and physical inspection/verification will be undertaken by Coffee Board officers for providing feasibility report if/when required on a case to case basis.

iii) Procurement, installation and commissioning of coffee machinery should be carried out by the applicants only on receipt of the Feasibility Report from the Coffee Board.

iv) The Claim Form for support to establish R&G unit (**Annexure - II**) may be submitted by the applicant on successful installation and commissioning of R&G machinery. The claim will be processed after physical site inspection by the Divisional Head- Coffee Quality & officers of the Coffee Quality Division, Bengaluru. If the application is found liable for rejection, same will be communicated to the applicant.

v) Applications shall be considered on first come first serve basis provided the applications are complete in all respects and subject to availability of funds.

2.4.1.8. (1): Documents to be submitted in support of the Feasibility

Application

- a) Feasibility applications in the prescribed format.
 - b) Copy of the blue print / layout plan for the proposed R&G unit/facility
 - c) Copy of the Photo identity like Aadhaar or Ration card or PAN card or Passport or Driving License or Election Photo Identity Card etc.
 - d) Quotations issued by the supplier/machine manufacturers.
 - e) Notarized Copy of the lease agreement / rent agreement / ownership document in respect of the proposed site/ shop / building premises.
 - f) Copy of the Bank pass book of the applicant containing the information such as:
 - Name of the Bank and Branch address
 - Account Holder Name
 - Account No.
 - IFSC code
 - g) In case of SC /ST and differently abled category beneficiaries applying individually, caste / community / disability certificate (with disability of 40% and above) issued by the competent authority.
- i) On receipt of the feasibility report from the Divisional Head (Coffee Quality), Coffee Board, Dr. Ambedkar Veedhi, Bengaluru, purchase, installation/commissioning of coffee machinery should be carried out by the applicants and on successful installation and commissioning of R&G machineries. The Final Claims Applications should be submitted online along with the documents mentioned in **para 2.4.1.8.**
 - ii) The applications will be processed after the inspection by the officers of the Coffee Quality Division, Bengaluru on seniority basis and subject to availability of funds. If the application is found liable for rejection, same will be communicated to the applicant.

2.4.1.9: Documents to be submitted in support of Final Claim application

- i) Application in the prescribed format.
- ii) Copy of the blue print / layout plan for the proposed R&G unit/facility
- iii) Copy of the Photo identity like Aadhaar or Ration card or PAN card or Passport or Driving License or Election Photo Identity Card etc.
- iv) Original copy of Tax Invoice / Cash Bill issued by the supplier.
- v) Attested copies of Bills in support of freight/installation/commissioning charges and insurance (if included in the total cost).
- vi) Copy of warranty certificate
- vii) Notarized Copy of the lease agreement / rent agreement / ownership document in respect of the shop / building premises.
- viii) Copy of license from municipal authorities.
- ix) Copy of FSSAI license.
- x) Copy of GST Registration Certificate.
- xi) Copy of the Bank pass book of the applicant.
- xii) Photographs of the new machinery installed for which subsidy is claimed.
- xiii) In case of SC /ST and differently abled category beneficiaries applying individually, caste / community / disability certificate (with disability of 40% and above) issued by the competent authority.

2.4.1.10: Disbursement of subsidy

- The subsidy shall be released to the applicant's bank account through PFMS in cases where the application is complete in all respects and found satisfactory as per para 2.4.1.6 and 2.4.1.7 and only after approval of post installation inspection report submitted by the Coffee Quality Division, Coffee Board, Bengaluru.
- The submission of application by the applicant or acceptance of the application by the office does not entitle the applicant for the eligible subsidy from the Coffee Board. The applicant is assured of release of eligible subsidy funds if technical feasibility report is issued and installation is found satisfactory as per the norms subject to the availability of funds.
- The Coffee Board reserves the right to amend, amplify or abrogate in its discretion any of the terms and conditions of the scheme without notice as it may consider necessary for efficient execution of the scheme and fulfilment of its objectives.
- Applications of persons who resort to making offers, rewards, gifts or any material benefit, or any coercion either directly or indirectly, to influence the sanction process shall summarily be rejected. Similarly, legal action will be initiated for recovery with applicable interest against applicants who obtain the subsidy benefit by wilfully furnishing wrong/incorrect information, misrepresentation and suppression of information.

2.4.1.11: Specifications of Coffee Roasting, Grinding & Packaging machinery eligible for subsidy

Sl. No.	Machineries	Minimum Specifications	Details
1.	Roasting unit Gourmet Roasting Unit 1 Kg to <10 Kg/batch	1 kg to <10 Kg/batch	1 Kg/batch or more air/ drum roasters including all convention & convection systems with <10 kg capacity of \pm 2 kg or roasting chamber capacity working on electrical / LPG/ Diesel / different fuel systems. They may be simple / digital with control

			panel provided with any pollution control devices, online control systems
	Small Roasting units 10 Kg <25 Kg/batch & Large Roasting units of >25 Kg/batch	10 Kg/batch to <25 kg capacity (Technically exact quantity of 25 Kg capacity cannot be achieved in drum roasting system, hence ± 2 Kg is allowed.)	25 kg/batch or more air roasters includes all convention & convection systems with 25 kg capacity of ± 2 kg or roasting chamber of >25 kg capacity working on electrical / LPG/ Diesel / different fuel systems. They may be simple / digital with control panel provided with any pollution control devices, online control systems
2.	Grinding Unit	15 Kg capacity per hour (stone mills are not eligible)	Minimum 10 - 30 kg/hour micro roasting units (disc mills, roll mills, water cooled roasting units)
3.	Packaging Unit	For roasting units according to the capacity different packaging machines are eligible	Packaging machineries includes: Hand sealing machine, Pedal sealing machine; Continuous sealing machine; Filling and sealing machine; Form fill and sealing machine; Automatic or semi-automatic Nitrogen flushing and sealing machine, vacuum sealing machine or Vacuum & Nitrogen flushing and sealing machine (automatic or semi-automatic) pod forming, filling and sealing, capsules filling and sealing, liquid coffee filling and pouch forming machines, powder or liquid filling and sealing machines or any other new technologies developed for liquid coffee / powder coffee / coffee beans are eligible for subsidy.

Note: Items listed above would cover all types of machinery and equipment of different makes and specifications available in the market for both indigenous and imported machineries up to a maximum ceiling of 15.00 Lakhs respectively as per scheme modalities.

Application for seeking financial Support for establishment of New R&G Units (enclosed below)

COFFEE BOARD : BENGALURU

ANNEXURE- I

Application Seeking Feasibility Report for Financial Support for Value Addition: Sub Component 2.4.1: Support to R&G Units				
1	Name of the applicant			
2	Address of the applicant Phone No. Email Id.			
3.	Applicant's Category	General /OBC / Religious Minorities /SC / ST		
4	Name of the unit			
5	Nature of the ownership			
6	Address of the Unit			
7	Details & Quotations of the New Machinery Proposed To Be Installed:			
i)	Machinery	Roasting Machine	Grinding Machine	Packing Machine
ii) a.	Capacity			
b.	Make			
c.	Model			
iii)	Estimated Cost of Machines			
8		Source	Amount (Rs.)	

	Source of Finance & Amount	Bank Finance	
		Self-Finance	
9	Details of Infrastructure & Existing Machinery already installed		
10.	Details of Subsidy availed in the past 10 years for similar activities for the same land/area		

Documents to be submitted in support of the application:

- i) Applications in the prescribed format.
- ii) Copy of the blue print / layout plan for the proposed R&G unit/facility
- iii) Copy of the Photo identity like Aadhaar or Ration card or PAN card or Passport or Driving License or Election Photo Identity Card etc.
- iv) Quotations issued by the supplier/machine manufacturers.
- v) Notarized Copy of the lease agreement / rent agreement / ownership document in respect of the proposed site/ shop / building premises.
- vi) Copy of the Bank pass book of the applicant containing the information such as:
 - a) Name of the Bank and Branch address
 - b) Account Holder Name
 - c) Account No.
 - d) IFSC code
- vii) In case of SC /ST and differently abled category beneficiaries applying individually, caste / community / disability certificate (with disability of 40% and above) issued by the competent authority.

Modalities for Implementation of:

Sub Component 2.4.2.: Support to Coffee Curing Units

2.4.2: Support to Coffee Curing Units

2.4.2.1: Objective: To enhance quality of coffee product and achieve value addition and efficiency through introduction of improved technologies in coffee processing at the curing stage and to upgrade the existing units to improve consistency in quality during the various stages of operations such as color sorting, grading during dry milling/curing of coffees.

2.4.2.2: Eligibility

- i) All coffee curing works holding a valid coffee curing license issued by Coffee Board of India are eligible for support for newly installed or up-gradation of existing curing machinery irrespective of type of ownership.
- ii) The subsidy under the scheme is not available in conjunction with any other scheme of the Coffee Board.

2.4.2.3: Scale of subsidy

- i) The grant of subsidy will be at **40%** of the cost of machinery purchased and installed subject to a ceiling of **Rs.25.00 Lakhs** per coffee curing unit.
- ii) For SHG's / FPO's / Grower's cooperatives, women entrepreneurs, SC / ST and differently abled beneficiaries, subsidy support is at **50%** of the machinery cost only, subject to a ceiling of **Rs.30.00 lakhs** per coffee curing unit.

2.4.2.4: Components eligible for subsidy

The machinery eligible for subsidy for upgrading the facilities at coffee curing works are as follows:

- 1) Pre- cleaner/Vibrio Cleaner
- 2) De-stoner
- 3) Aspiration system for the De-stoner
- 4) Huller
- 5) Peeler cum polisher
- 6) Cascade aspirator
- 7) Vibrio grader
- 8) Gravity separator
- 9) On-line Silo Grader Coffee Handling System
- 10) Central Aspiration System
- 11) Colour Sorting machine with accessories
- 12) Coffee dryer
- 13) Husk silo
- 14) Weighing & bagging system
- 15) Bulking & container loading systems, and loading systems - like Fork Lifts.
- 16) Moisture meter

Note: Items listed above would cover all types, makes and specifications available in the market for both indigenous and imported machineries up to a maximum ceiling of Rs. 25.00

Lakhs and 30.00 Lakhs in case of SHG's / FPO's / Grower's cooperatives, women entrepreneurs, SC / ST and differently abled beneficiaries.

2.4.2.5: Priority

Applications shall be considered on first come first serve basis provided the applications are complete in all respects. Date of submission/filing of application would determine seniority.

2.4.2.6: Procedure of application

- i) The application for subsidy should be submitted to Coffee Board in the prescribed format before starting the works for obtaining a feasibility report. (Information provided by the applicant will be scrutinized and physical inspection / online verification for providing feasibility report will be done only if/ when required on a case to case basis).
- ii) On receipt of the feasibility report from the Divisional Head (Coffee Quality), Coffee Board, Dr. Ambedkar Veedhi, Bengaluru, installation/commissioning of coffee machinery should be carried out by the applicants and claims should be submitted online along with documents mentioned in **para 2.4.2.7**.
- iii) The applications will be processed after the inspection by the officers of the Coffee Quality Division, Bengaluru on seniority basis along with nearby extension officers (wherever applicable) and subject to availability of funds. If the application is found liable for rejection, same will be communicated to the applicant.
- iv) The application in the prescribed format (**Annexure-I**) are invited for issuing feasibility reports towards financial support for establishment or upgradation of Coffee Curing Units. The applications may be submitted to The Divisional Head- Coffee Quality Division, Coffee Board, No.1, Dr Ambedkar Veedhi, Via., **email: hdqccoffeeboard@gmail.com / cqd.coffeeboard@gmail.com**
- v) The information provided by the applicant will be scrutinized and physical inspection/verification will be undertaken by Coffee Board officers for providing feasibility report if/when required on a case to case basis.
- vi) Procurement, installation and commissioning of coffee machinery should be carried out by the applicants only on receipt of the Feasibility Report from the Coffee Board.
- vii) The Claim Form for financial support for establishment/upgradation of Coffee Curing Units (**Annexure - II**) may be submitted by the applicant on successful installation and commissioning of curing machinery. The claim will be processed after physical site inspection by the Divisional Head- Coffee Quality & officers of the Coffee Quality Division, Bengaluru. If the application is found liable for rejection, same will be communicated to the applicant.
- xiii) Online applications shall be considered on first come first serve basis provided the applications are complete in all respects and subject to availability of funds.

2.4.2.7: Documents to be submitted

- i) Application in the prescribed format.
- ii) Copy of the Photo identity like Aadhaar or Ration card or PAN card or Passport or Driving License or Election Photo Identity Card etc.
- iii) Original copy of Tax Invoice / Cash Bill issued by the supplier.
- iv) Attested copies of Bills in support of freight/installation/commissioning charges and insurance (if included in the total cost).
- v) Copy of warranty certificate
- vi) Notarized Copy of the lease agreement / rent agreement (Minimum for a period of three years) / ownership document in respect of the shop / building premises
- vii) Copy of license from:
 - a) Local / Municipal authorities.
 - b) Valid curing license issued from Coffee Board of India
 - c) State Pollution Control Board
 - d) Department of Industries
 - e) Department of Labour
- viii) Copy of the Bank pass book of the applicant containing the information such as:
 - a) Name of the Bank and Branch address
 - b) Account Holder Name
 - c) Account No.
 - d) IFSC code
- ix) Photographs of the new machinery installed for which subsidy is claimed
- ix) List and photographs of already existing machinery.
- x) In case of SC /ST, Minorities and differently abled category beneficiaries applying individually, caste / community / disability certificate (with disability of 40% and above) issued by the competent authority.

2.4.2.8. Disbursement of subsidy

- The subsidy shall be released to the applicant's bank account through PFMS in cases where the application is complete in all respects where it is found satisfactory as **para 2.4.2.6 and 2.4.2.7** and only after approval of post installation inspection report submitted by the Coffee Quality Division, Coffee Board, Bengaluru.
- The submission of application by the applicant or acceptance of the application by the office does not entitle the applicant for the eligible subsidy from the Coffee Board. The release of eligible subsidy to the applicant is subject to availability of funds.
- The Coffee Board reserves the right to amend, amplify or abrogate in its discretion any of the terms and conditions of the scheme without notice as it may consider necessary for efficient execution of the scheme and fulfilment of its objectives.
- Applications of persons who resort to making offers, rewards, gifts or any material benefit, or any coercion either directly or indirectly, to influence the sanction process shall summarily be rejected. Similarly, legal action will be initiated for recovery with applicable interest against applicants who obtain the subsidy benefit by wilfully furnishing wrong/incorrect information, misrepresentation and suppression of information.

Application for seeking financial Support for upgrading coffee curing works by registered coffee curing establishments (enclosed below)

COFFEE BOARD: BENGALURU
Application Seeking Feasibility Report for Financial Support for Upgrading Coffee
Curing Works by Registered Coffee Curing Establishments
Sub Component 2.4.2: Support to Coffee Curing Units

ANNEXURE- I

1.	Name & address of the firm in full (State whether it is a proprietary or partnership or Limited company)

11. DETAILS OF NEWLY INSTALLED MACHINERIES:

SI No	Items of Machinery	Make & Model	Capacity/h (in tons)	Cost of Machinery Installed
1.	Stone/stick/dust eliminators			a) Invoice No: b) Invoice date: c) Cost of Machine: d) Taxes / Insurances: e) Total Cost:
2.	Huller			Invoice No:

				<p>Invoice date:</p> <p>Cost of Machine:</p> <p>Taxes / Insurances:</p> <p>Total Cost:</p>
3.	Peeler-cum-polisher			<p>Invoice No:</p> <p>Invoice date:</p> <p>Cost of Machine:</p> <p>Taxes / Insurances:</p> <p>Total Cost:</p>
4.	Winnower			<p>Invoice No:</p> <p>Invoice date:</p> <p>Cost of Machine:</p>

				<p>Taxes / Insurances:</p> <p>Total Cost:</p>
5.	Oscillator			<p>Invoice No:</p> <p>Invoice date:</p> <p>Cost of Machine:</p> <p>Taxes / Insurances:</p> <p>Total Cost:</p>
6.	Graders			<p>Invoice No:</p> <p>Invoice date:</p> <p>Cost of Machine:</p> <p>Taxes / Insurances:</p> <p>Total Cost:</p>
7.	Catadors/ Pneumatic seperators			<p>Invoice No:</p>

				<p>Invoice date:</p> <p>Cost of Machine:</p> <p>Taxes / Insurances:</p> <p>Total Cost:</p>
8.	PB band separators			<p>Invoice No:</p> <p>Invoice date:</p> <p>Cost of Machine:</p> <p>Taxes / Insurances:</p> <p>Total Cost:</p>
9.	Gravity separators			<p>Invoice No:</p> <p>Invoice date:</p> <p>Cost of Machine:</p> <p>Taxes / Insurances:</p>

				Total Cost:
10.	Electronic colour sorter			Invoice No: Invoice date: Cost of Machine: Taxes / Insurances: Total Cost:
11.	Bulking machine			Invoice No: Invoice date: Cost of Machine: Taxes / Insurances: Total Cost:
12.	Mechanical drier			Invoice No: Invoice date:

				<p>Cost of Machine:</p> <p>Taxes / Insurances:</p> <p>Total Cost:</p>
13.	Generators			<p>Invoice No:</p> <p>Invoice date:</p> <p>Cost of Machine:</p> <p>Taxes / Insurances:</p> <p>Total Cost:</p>
14.	Weigh bridge			<p>Invoice No:</p> <p>Invoice date:</p> <p>Cost of Machine:</p> <p>Taxes / Insurances:</p> <p>Total Cost:</p>

15.	Moisture meter			Invoice No: Invoice date: Cost of Machine: Taxes / Insurances: Total Cost:
16.	Any other relevant machinery. Please specify			Invoice No: Invoice date: Cost of Machine: Taxes / Insurances: Total Cost:

12.	Have you obtained licenses from the following departments:	
a)	State pollution Control Board. (Please enclose copy)	
b)	Department of Industries (Please enclose copy)	

c)	Inspector of Factories & boilers (Please enclose copy)	
d)	Department of Labour (Please enclose the copy)	
e)	Local authorities like Municipal Authorities etc., (Please enclose the copy)	

13.	SUBSIDY CLAIMED	
	i) 40 % of Curing Machinery cost	
a)	ii) 50 % for SHG's, women entrepreneurs, SC/ST Minorities and differently abled beneficiaries.	
BANK ACCOUNT DETAILS		
b)	Account Holder Name	
c)	Account No.	
d)	Name of the Bank and Branch	
e)	Address of the Branch	
f)	IFSC Code	

DECLARATION

I/ We, hereby declare that the information furnished above is true to the best of my /our knowledge and declare that I/We/am/ are liable to refund the amount if at any stage the information furnished is found to be false.
